Myths, Illusions, and Peace: - Finding a New Direction for ...

The Peace of Illusions intervenes in the ongoing debate about American grand strategy and the costs and benefits of "American empire." Layne urges the desirability of a strategy he calls "offshore balancing": rather than wield power to dominate other states, the U.S. government should engage in diplomacy to balance large states against one another.

The Peace of Illusions: American Grand Strategy from 1940 ...

"The Peace of Illusions is an excellent analysis of U.S. grand strategy since World War II that demonstrates the continuity of President Bush's foreign policy with the past. It provides a critique of the U.S. quest for hegemony over the past 60 years and proposes a policy of offshore balancing to protect American interests."—David F. Schmitz, Journal of American History, June 2007

Peace and other illusions in the time of war - The Hindu

In the Age of Illusions you can see Bacevich thinking his way through the challenges of his time, resulting in an insightful book that gets far better as the book reaches its conclusion. Bacevich identifies four primary illusions of modern American belief: Unfettered Globalization, Military Hegemony, Presidential Primacy and Unrestrained Freedoms.

The Peace of Illusions: American Grand Strategy from 1940 ...

"The Peace of Illusions is the clearest and most sophisticated argument for a radical alternative to the last sixty years of grand-strategy orthodoxy. It also signals a significant fluidity of ideological labels in the new debates on the direction of U.S. policy, itself a symptom of the widespread disorientation among American intellectuals on the world-political role of their state.

The peace of illusions : American grand strategy from 1940 ...

Christopher Layne (born November 2, 1949) is an American academic and writer specialising in foreign policy. He is currently Robert M. Gates Chair in Intelligence and National Security at the George Bush School of Government and Public Service at Texas A&M University. His neorealist position in contemporary global politics is discussed in his 2006 book The Peace of Illusions.
