Update your system data to obtain new functions or to be prepared for new traffic situations. First, please select your vehicle model and your infotainment system so that we can provide you with the suitable material.

The Phaeton Automatic Proximity Control (APC) - VolksPage

Hi all, I'm a new member, non-technical, looking for some help. The infotainment system screen in our 2009 Phaeton has frozen at 'Welcome to Volkswagen' start-up screen, which means we have no sounds, no Bluetooth, no satnav, suspension setting control etc. etc. My mechanic disconnected the battery to see if it re-booted to no avail. Anyone out there seen this before, and know of a fix without ...
