What the Phoenix Project can teach you about DevOps and IT

The Phoenix Project is a business book masquerading as a work of fiction. As soon as I started evaluating The Phoenix Project in the context of a business book, rather than fiction, I started enjoying it a lot more, gaining much more insight into the concepts presented, rather than focusing on the unsophisticated prose and highly contrived scenarios.

The Phoenix Project, 5th Anniversary Edition

The Phoenix Project is a novel about IT management. Writing a fictional account is a powerful effective way to get the message across, used by others such as Ely Goldratt with The Goal . It is written by Gene Kim, Kevin Behr and George Spafford, the team who gave us Visible Ops , one of the more talked-about books in IT (I really must review that one day).
