*Drawing on extensive interviews with high-level Chinese officials, she  
pieces together detailed histories of economic reform policy decisions  
and shows how the political logic of Chinese communist institutions  
shaped those decisions. Combining theoretical ambition with the flavor  
of on-the-ground policy-making in Beijing, this book is a major ...*

*Capital And Collusion The Political Logic Of Global ...*

*The reason, I have come to understand, is the dynamic nature of any  
economic setting, which necessitates a process logic. While most  
people have no trouble with simple logic, where for example  $x \rightarrow y \rightarrow z$   
and therefore  $x \rightarrow z$ , everything is typically interrelated and, to  
some degree or in some sense, interdependent in an economy.*

*JPE, 1917 Some Problems of Logical Method in Political Economy. The  
development of statistical data and technique, and the marked tendency  
toward the broadening of the scope of economic inquiry, have again  
made the problem of economic method an appropriate theme for  
discussion.*

*The Political Economic Logic of Liberal Exceptionalism ...*

*This article identifies the causal mechanisms for the 1997 economic  
crisis in South Korea. Focusing on constitutional design and electoral  
cycle, the analysis specifies institutional incentive structures that*

*induced contradictory political behavior by the president and legislators. The economic crisis is thus explained by political dynamics.*
