The Professional Chef, 7th Edition | Eat Your Books  
This is what it claims, a study guide companion to the CIA's Professional Chef 7th Edition, which is a textbook meant not for the home chef, but for the aspiring professional chef. That said, it's a very good guide to dedicated students of cookery (I'm not a professional chef, myself), and provides structure and sets expectations of what you are expected to learn from the main text.
