Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Application Study Bible. If you really want to get annoying and split hairs, application Bibles aren't technically study Bibles. Application study Bibles tend to focus primarily (not exclusively) on helping you apply the Bible to various situations in your life. In other words, the main goal of an application study Bible is not to dig deep into the meaning of the text.
