Your group can help fund academic research or start-up medical research companies directly to ensure that relevant research for your disease is pursued. Funding discovery research directly can occur in several ways. Fundraise: Your group can raise money to fund research through crowdsourcing, special events, group fundraisers, and other endeavors.

Research Funding Toolkit - RESEARCHconnect

We point out in the book, The Research Funding Toolkit, that a research project is much easier to write about if it can be broken down into about four components. These components are the sub-projects. So for the 2-3 year research project of a typical grant-application a sub-project will be about 6 plus or minus 2 months full-time research.
