The Shooting Star (Tintin, #10) by Hergé

On board a polar vessel with Captain Haddock at the helm, Tintin and a team of European scientists sail to the Arctic Ocean where an aerolite made of an unknown metal crashed. But soon they find ...

The shooting star (The adventures of Tintin): Hergé? ...

Storyline. The sudden approach of a giant meteorite on earth gives even Tintin nightmares. Luckily it land in the Arctic Sea, and Tintin is appointed sole press delegate aboard Haddock's ship Aurora with the international expedition. As spectography shows it contains a possibly priceless, unknown metal, criminals mount a rival expedition...

The Shooting Star (The Adventures of Tintin): Hergé ...

The Shooting Star appears to be a fun, harmless diversion with no overt political statements, but written in 1942 while Belgium was under the control of the occupying German forces - the first Tintin adventure to be published in its now classic standard full-colour 62 page format as opposed to being first serialised and then reworked for collected publication - the reality of the story's creation is well hidden.

I've been travelling and collecting stories from around the world for over eight years - as a student, full-time employee, freelancer and nomadic travel blogger. I love the road, the charm of fleeting relationships, the anonymity of being somewhere that no one knows me. Life is short and there's so much to experience. You can explore my adventures by clicking on the destination pins on ...

The Adventures of Tintin: The Shooting Star : Herge Herge ...  
The Shooting Star is a generic Tintin adventure tale offering little originality besides some interesting space oddity at the end. But it's a kid's book that younger readers will probably find enjoyable enough so I can't come down too harshly on the many poorly written, overly simplistic scenes that bored me as an adult.

The Shooting Star (The Adventures of Tintin: Young Readers ...  
The Shooting Star tells the story of Tintin's voyage to the Arctic Ocean to recover a meteor that is composed of Phostlite, an unknown metal. It was first serialized in the newspaper Le Soir in black and white in 1941, and was subsequently published in a colour album in 1942.

The Shooting Star The Adventures  
There is an exciting international race to get to the shooting star, as Tintin rides aboard the Polar Star under the command of good friend Captain Haddock. The race to be first goes down to the final seconds. The shooting star itself will turn out to be a quite mysterious object with strange properties, not least that it won't float forever!
