### **The Sociology Of Economic Life | Download eBook pdf, epub ...**

Economic sociology is the study of the social cause and effect of various economic phenomena. The field can be broadly divided into a classical period and a contemporary one, known as "New economic sociology". The classical period was concerned particularly with modernity and its constituent aspects, including rationalisation, secularisation, urbanisation, and social stratification. As sociology arose primarily as a reaction to capitalist modernity, economics played a
