The array of case studies demonstrates that the Strategic Alliance Handbook has applicability across multiple industries. By providing a common methodology, the book enables strategic alliance managers from each partner to have access to common measures and processes to enhance the likelihood of strategic alliance success.

Handbook of strategic alliances | Request PDF

A strategic alliance (also see strategic partnership) is an agreement between two or more parties to pursue a set of agreed upon objectives needed while remaining independent organizations. A strategic alliance will usually fall short of a legal partnership entity, agency, or corporate affiliate relationship. Typically, two companies form a strategic alliance when each possesses one or more ...
