The struggle for black equality was supported by individual whites and by the federal government. Like the labor struggle in Detroit described by Cohen, the struggle for black equality demonstrated the importance of cohesion in the community seeking improvement of their lot. Oddly enough, white communities of the deep South were also cohesive.

The civil rights movement in the United States was a decades-long struggle with the goal of enforcing constitutional and legal rights for African Americans that white Americans already enjoyed. With roots that dated back to the Reconstruction era during the late 19th century, the movement achieved its largest legislative gains in the mid-1960s, after years of direct actions and grassroots protests that were organized from the mid-1950s until 1968. Encompassing strategies, various groups, and org
