My quest listing no longer said (complete) and said that I still needed to resurrect the Dwarf. However in my inventory I still had the Defias Script, but no Symbol of Life. I went back to Duthorian Rall in Stormwind to try to complete the quest, but he just told me that he would give me another Symbol of Life if I failed the first time.

This book explores the use and development of man's symbolizing capacities—those qualities that make him distinctly human. Dr. Whitmont describes the symbolic approach to a dream, which takes into account a symptom's meaning in reference to an unfolding wholeness of personality. He then presents the view that the instinctual urge for meaning is served by the symbolizing capacities, and that ...
