The Toaster Project: Or a Heroic Attempt to Build a Simple Electric Appliance from Scratch

< THOMAS THWAITES > ? The Toaster Project

The Toaster Project is an example of how we often fail to notice the complexity of our modern world. When you buy a toaster, you don't think about everything that has to happen before it appears: the iron being carved out of the mountain or the oil being drawn up from the earth.

The Toaster Project : Or a Heroic Attempt to Build a ...

"At once a charming manifesto for the maker movement and a poetic reflection on consumerism's downfall, The Toaster Project is a story of reacquainting ourselves with the origins of our stuff, from the iron being carved out of the mountain or the oil being drawn up from the earth, to the toaster being made of Stuff, part something else made entirely from scratch."

The Toaster Project, Or A Heroic Attempt To Build A Simple Electric Appliance From Scratch (Book Review)

The Toaster Project

The essential premise behind Thomas Thwaites' The Toaster Project is that in this modern world of ours, we take a lot for granted. Like toasters, for instance. The 20-something Thwaites decided

for a college project. And by "from scratch", I mean going all the way back to the raw materials from the earth.

The Toaster Project : NPR

The Toaster Project: Or A Heroic Attempt to Build a Simple Electric Appliance from Scratch. The Toaster Project may seem foolish, even insane. Yet, Thwaites's quixotic tale, told with self-depreca costs and perils of our cheap consumer culture, and in so doing reveals much about the organization of the modern world.

The Toaster Project

"At once a charming manifesto for the maker movement and a poetic reflection on consumerism's downfall, The Toaster Project is a story of reacquainting ourselves with the origins of our stuff, of Stuff, part something else made entirely from scratch."

The Toaster Project: Or A Heroic Attempt to Build a Simple ...

The Toaster Project is fabulous! Your appreciation of the technology behind this mundane household icon reminds me of my dad. He's been on a quest to amass a collection of toasters spanning evolution of this basic appliance. It has been certified as the largest in the world by Guinness World Records.

The Toaster Project: Or A Heroic Attempt to Build a Simple ...

The Toaster Project Or A Heroic Attempt to Build a Simple Electric Appliance from Scratch

The Toaster Project: Or a Heroic Attempt to Build a Simple ...

The Toaster Project was an attempt by Thwaites to build a modern appliance, in this case a toaster, from scratch. Starting with digging up the required ores and fabricating plastic and electrical materials.

Thomas Thwaites (designer) - Wikipedia

By Robert Blinn - Nov 01, 2011. That said, the final photograph of his admittedly subpar toaster in context on the wall of a department store with a price of 1,187 pounds is punchline enough to along the way. The Toaster Project is a bit of a [near] infinite regress.

Don't Start From Scratch: How Innovative Ideas Arise

Thomas Thwaites (designer) A toaster has about 400 components: he simplified the materials list to copper, steel, plastic, mica and nickel and attempted to mine, refine, and otherwise process a published The Toaster Project: Or a Heroic Attempt to Build a Simple Electric Appliance from Scratch...

The Toaster Project Or A

The book of The Toaster Project has been published! It is available of course from Amazon, or from the publisher, Princeton Architectural Press, or (hopefully) 'from all good bookshops'. A bit more online here (this is getting slightly out of date however), or at thomasthwaites.com... the project continues to develop!
