The Truth Machine is the best book so far on what has happened and what may come along. It demands the attention of anyone concerned with our economic future." ?Lawrence H. Summers, Charles W. Eliot University Professor and President Emeritus at Harvard, Former Treasury Secretary

Truth-machine - Esolang

The eponymous truth machine helps create a perfect world where all crime and deception are steadily eliminated and everybody lives in bliss. I would have been more entertained if Halperin had shown the truth machine taking society in a completely different direction, revealing a hidden, sinister side or some bizarre characteristic (a la "1984").
