Doctor Who - The Two Masters Team Up Together "The Genesis of the Cybermen"

If I had a hat and a lot of time, I would take it off to every single person involved in making The Two Masters. John Dorney is a true artist, and I will not let anyone convince me otherwise. Both Alex Macqueen and Geoffrey Beevers play the Master magnificently. Sylvester McCoy plays the Doctor exceptionally.

Doctor Who: The Two Masters - News - Big Finish
The Two Masters is an episode of Doctor Who featuring the Eleventh Doctor and Amy Pond. It takes place sometime during the fifth series. Story . A young boy in his teens discovers the masters fobwatch, he doesn't know what the fobwatch is so he opens the fobwatch. The Doctor (Doctor Who) - Wikipedia
Though undoubtedly ingenious— relegating Sylvester McCoy’s Doctor to a supporting role while prefiguring the multi-Master double-up of ‘World Enough and Time’—The Two Masters asks too much of the audio format, voicing and characterising its twin antagonists in too similar a fashion.

The Two Masters Doctor Who
The Two Masters was the two hundred and thirteenth story in Big Finish's monthly range. It was written by John Dorney and featured Sylvester McCoy as the Seventh Doctor and Geoffrey Beevers and Alex Macqueen as the Master.

The Two Masters | Doctor Who Fanon | FANDOM powered by Wikia
John Dorney brings these two incarnations together in The Two Masters in celebration of the Master's thirty-fifth anniversary. But whatever expectations you might have for a multi-Time Lord story after The Three Doctors, The Five Doctors, The Light at the End, or The Day of the Doctor, throw them all away: this story is nothing like that.

Like the Doctor, the Master would also flee from Gallifrey in a TARDIS of his own, and fully embrace his darker nature after escaping a black hole he had been trapped in by the Second Doctor. The Master then went on to fight various battles against the Third Doctor and UNIT during the Doctor's exile on Earth....
