Intellectual property (IP), and how it is paid for, must be defined in the agreement, whether it is only one patent or if it includes various reports and tangible materials. This part of the checklist may be more relevant to for-profit licensors, but nonprofit licensors may also have more than just a patent (and its family) to include in the definition of IP.

## **Trademark Identification Manual Suggestions | USPTO**

Alderson does a good job of putting together an overview of the singing voice and an excellent variety of vocalises that can be used in training and developing singers. This book falls short in that it is a tiny bit dated in the verbiage, and that it focuses exclusively on the classical idea of good singing, with little acceptance of other styles.
