The West in the World A History of Western Civilization ...

The West in the World relates the story of how the west has transformed - and been transformed by - the rest of the world. The authors examine the West's contributions to the world and how the west has changed and embraced new ideas through contact with the people outside its center.

The West In The World

The West in the World, Fifth Edition, prompts students to take an active, analytical approach to understanding history and historical change. Readers will come to appreciate that history does not happen in isolation but rather is the consequence of a complex set of intersecting events, forces, and human actions among which there are cause-and-effect links that extend into the present day.
