English has become so ubiquitous that all pilots, regardless of their native language, must be able to communicate in English. A quirk of the English language: the nonword "ghoti" can be pronounced as 'fish', with the 'gh' from words such as 'tough', the 'o' from words such as 'women', and the 'ti' from words such as 'station'.

English Dictionary

The singular "woman" probably gets mixed up with the plural "women" because although both are spelled with an O in the first syllable, only the pronunciation of the O really differentiates them. Just remember that this word is treated no differently than "man" (one person) and "men" (more than one person).
