LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

The Woodwright - University of North Carolina Press

About Roy Underhill For more than 37 years, Roy Underhill has shared his love of American woodcraft. Using only the hand tools of early America, Roy proves that woodworking doesn't have to be noisy, dangerous or expensive. His insights into the principles of the craft reveal the enduring relationship between tools and material—between human hands...

Roy Underhill is host of the popular PBS show The Woodwright's Shop, now in its fourth decade of production. The series, produced by the University of North Carolina Center for Public Television, has aired nationally since 1981, with thirteen new programs introduced each year.

The Woodwright's Guide - University of North Carolina Press

Beginning with the standing tree, each chapter of The Woodwright's Guide explores one of nine trades of woodcraft: faller, countryman and cleaver, hewer, log-builder, sawyer, carpenter, joiner, turner, and cabinetmaker. Each trade brings new tools and techniques; each trade uses a different character of material; but all are united by the grain in the wood and the enduring mastery of muscle and steel.

The Woodwright's Shop - UNC-TV

He created The Woodwright's Shop for public television in 1979. The series, produced by the University of North Carolina Center for Public Television, has aired nationally since 1981, with thirteen new programs introduced each year.
