Thoughts from Inside the Box
Its box featured smooth matte paper, minimalistic graphics and a peeling-the-onion approach that guided users to slow down and savor each component, layer by layer. Since then, more and more companies recognize the importance of product packaging, and work hard to elevate the user's "out of box experience."

Thinking Inside the Box is a compilation of the old, very-very basic principles of running a business. Cheyfitz does not claim to share any revolutionary ideas with the reader; on the contrary, he asserts that the fundamental philosophy of business has not changed for centuries, only the methods and tools evolve.
