Marines Are Crayon Eaters. Ok, let's be clear. This is a joke and Marines haven't actually been observed eating crayons instead of their MREs. Unfortunately, this is a play on the perceived intelligence of Marines who are thought to be the least educated branch of the military.

10 things no one tells you before you join the Royal Marines

Marines have definitely had to surrender, but that doesn't mean they didn't fight like hell beforehand. When Marines had to surrender, you can bet that they made the enemy pay for it with blood. Regardless, Marines have a history of (usually) winning battles, typically against overwhelming odds. Victory comes at a high price.

The final three figures I stuck on some female marine heads from Statuesque, just to add a little variation to the squads look. These heads are lovely - cast in metal rather than resin, covered in hair styles and biotics to make them look like "female Space Marines" as opposed to "Female space marines". In other words, they fit perfectly.
