Also, many of the music artists who get into acting find that the process of getting roles (and getting paid) in the film industry is much easier for them because of their ties to the music industry. Once again, the music business is the business of financially exploiting music (songs/recordings) and music artists.

Fifth | Definition of Fifth at Dictionary.com
The music business is one of the most rapidly changing industries in the US today. It is also an industry filled with contradiction, and media headlines and anecdotal stories

often add to the confusion.

Fifth Harmony - Work from Home ft. Ty Dolla \$ign (Traducido al Español)
Perfect fifth. In classical music from Western culture, a fifth is the interval from the first to the last of five consecutive notes in a diatonic scale. The perfect fifth (often abbreviated P5) spans seven semitones, while the diminished fifth spans six and the augmented fifth spans eight semitones.
