The Maya highlands and Pacific coast - Britannica
The Highland Maya have an economic system called a cargo-system that encourages the re-investment of wealth back into the community. This system is made up of a number of levels of prestige. Each level has a prescribed set of responsibilities and prestige tied to it. (Searles and Lee, 2002, p. 158).

The Classic Mayan obsession with time has never been better known. Here, Barbara Tedlock redirects our attention to the present-day keepers of the ancient ...

Time And The Highland Maya Woodrow Wilson Center Special
Nevertheless, timekeeping was undeniably an important, even central, activity of the ancient Maya, and much of their history is unintelligible without reference to it. The value of Professor Tedlock's work, and of this book in particular, is found in the material that she can present to Mayan archeologists and epigraphers to help them understand their source material.
