Under Language of User Manual, select the desired language of the manual. Click Download File. Click Save File in the dialog box that now appears and then click OK.

### TPMS MANUAL - Tire Rack

In this manual all commands are given in code boxes, where the R code is printed in black, the comment text in blue and the output generated by R in green. All comments/explanations start with the standard comment sign ' #' to prevent them from being interpreted by R as commands. This way the content in the code boxes can be pasted with their comment text into the R console to evaluate their ...
