Too Many Cats - Walmart.com

So, how many cats are too many? That depends. It depends on genetics, on socialization and on the facilities and protocol. For most people, two to three cats are enough. For others 5 to 10 might be manageable. For the occasional feline aficionado with time, the patience of a saint, and money to burn, even larger numbers of cats can be successfully ...

how to catify a balcony. a balcony has the greatest impact ...

I just moved with my two cats from my parent's house in California where there are two other cats. Now my two year old cat is behaving erratically where he hides in my drawers and pulls out all my clothes and throws them out. He drags my clothes into the litter box and poops on them. He hides under the bed or in the drawers most of the time.
