BIBLIOGRAPHY/REFERENCE LIST

Total Burn Care 4th Edition - Surgery Books  
Total Burn Care remains encyclopedic in its content with numerous chapters detailing the in-depth theory of most of subjects relevant to burn care- from nutrition to hematology, surgical technique to epidemiology...Overall, Total Burn Care in its fourth edition is an excellent text- certainly the most comprehensive available today - and I would recommend this as the first choice for the library or book shelf of those involved in burn care."
