***It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is***

***In Review: 'Understanding and Healing Emotional Trauma'  
Healing requires commitment and consistency. Because trauma wires your brain for disempowering beliefs, emotional healing requires the re-wiring of your brain for empowering beliefs; this involves the development of new conscious thought patterns that are consistently practiced over a period of time.***

## Read Book Understanding And Healing Emotional Trauma

***Emotional trauma arises because something has gone awry in our relationships, so a healing relationship is crucially important if we are to learn how to connect to other people and to ourselves in healthier ways. Similarly, we need support if we are going to approach the unprocessed pain and fear that was once unbearable, and we also need guidance if we are to transform the fearfulness, disconnection, and shame that lie at the heart of our trauma-worlds.***
