A better understanding of national culture and differences between national cultures could thus inform international policy transfer practices and joint policy learning exercises (e.g. looking at required adaptations to suit the receiving culture).

(PDF) Understanding EU 'Foreign Policy'

Historically, the Council of Ministers has been seen as a primarily intergovernmental institution. The logic behind this thinking is that it was made up of the ministers representing Member States and defending their national interests, while trying to build "Europe". It was defined as an opposition to the supranational European Commission.
