Communication is written with one goal in mind: to provide students with the insights and skills to succeed in our changing world.

Understanding Human Communication  
by Ronald B. Adler

Understanding Human Communication addresses students' perception that they already know how to communicate--an issue faced by every faculty member. By artfully weaving cutting-edge academic research and theory into the clear, down-to-earth, and student-friendly narrative, the authors help students understand the complexity and depth of human communication and public speaking.
