Very useful to build basic understanding of the industry, understand its key drivers, business model, products and services and revenue model.

Understanding the Insurance Industry 2017 Edition: An ...

As an industry, insurance is regarded as a slow-growing, safe sector for investors. This perception is not as strong as it was in the 1970s and 1980s, but it is still generally true when compared to other financial sectors. Not all insurance companies offer the same products or cater to the same customer base.
