Nova is an American science documentary television series produced by WGBH Boston for PBS. Many of the programs in this list were not originally produced for PBS, but were acquired from other sources such as the BBC. All acquired programs are edited for Nova, if only to provide American English narration and additional voice of interpreters (translating from another language).

"Charles Krohn's *The Lost Battalion of Tet* is the best book written about the U.S. Army's involvement in the Battle of Hue, and one that I found invaluable in crafting my own book on the bloodiest single battle of the Vietnam War. Krohn's firsthand account of his battalion's ordeal in the rice paddies northwest of the city is gripping, tragic, and ultimately heroic.
