(Undercover Book 2) at Amazon.com. Read honest and unbiased product reviews from our users.

Amazon.com: Customer reviews: Unsuspected (Undercover Book 2) Undercover is one of my favorite from this author. This is a well done menage story. Unlike others I've read, there's development between the 3 characters and not just 2 of them as it usually is. The slow-burn helps Nico and Corey to meet Grant halfway their attraction and when they finally are together it's super HOT!
