Values Based Estate Planning **A Wiley Nonprofit Law Finance**

Praise for Values-Based Estate Planning "Scott Fithian's book provides planning professionals with new insights into the estate planning process. Most importantly, he stresses the individual and family benefits of philanthropy through the concept of social capital which should be a key element to the planner's inventory of client questions."--Charles W. Collier, Senior Philanthropic Advisor, Harvard University

intergenerational transfer of wealth in history, have a daunting set of financial concerns with which to contend.

"Values-based" Estate Planning | Advisors to the Ultra ...

"No estate plan is bulletproof," says Michael Hackard, founder of the Mather-based firm Hackard Law, which specializes in estate, trust and probate litigation. In more than 40 years of practice, he's seen the gamut of gaps in plans: Some are big enough for self-servers to worm through, while others let assets bleed out.
