I can not find anywhere online where I would learn how to setup my voicemail. The one article I do find says this "feature is not available in No.Virginia" or something else like that. I have seen a couple folks on the board here say to call the number that they gave us on setup, but we can't find...

Trouble is, I didn't get the instructions (via "US Mail") on how to access it. My PIN no longer worked, I could see I had V/Ms but couldn't access them. Searching the Verizon website, all I could find is they didn't have a record of my landline on this account and couldn't find any instructions on how to rectify it.
