Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Adult Asperger's: The Relief of A Diagnosis. The press coverage of the syndrome of the last several years has been very helpful as well. "I was working on a highly technical engineering project with a new guy last week. In the middle the morning, he put down his pencil, looked at me and said, "You have Aspergers,...

Hiding in Plain Sight: Diagnosis Barriers for Autistic ...

This is one of many reasons why people with HFA (sometimes called mild autism or — until 2013 — Asperger syndrome) may be diagnosed as teens or adults rather than as young children. The symptoms that lead to a late diagnosis, however, would have to be present from early childhood to qualify for an autism diagnosis.
