Viper Responder 350 2-Way Security System - 3305V - Abt

will I order the viper responder 350 and I received the old version 3305v today 7/21/17 but was looking forward to see how the new one is with the change of style in remote but anyways, this is the second viper alarm I bought i love it. my first car got broken into about a month ago and the 2 way remote notified me in seconds it was so fast that I caught them in my car before they have a ...

Viper Owner's Guides and Manuals

Remote Confirmation 2-Way remotes let you stay in touch with your vehicle, confirming your commands (such as remote start, or arming your security system) either with an LCD screen on the remote, or using LED lights. Some 2-Way remotes also act as a security pager, letting you know your siren has been triggered, even if you are too far away to hear it.
