Since it's a search engine. browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall.

Agent Visual Inspection and Disclosure Forms
Human manual inspection, however, is still the reference standard for visual inspection and is the method stated in the European Pharmacopoeia of the Council of Europe (Ph. Eur.) and the pending USP <790> (1, 2). Human inspectors are flexible and can respond to something they have never seen before or something that 'doesn't look right.'

Trends and Best Practices in Visual Inspection ...
(1998) discovered there is an improvement in visual inspection performance when a methodical search strategy is used. Hall et al. (2003) confirms this with a study about visual inspection tasks and the impact of search patterns. While the search pattern is an important factor of a search strategy, the speed at
