5.0 out of 5 stars Visualizing Earth History. Reviewed in the United States on April 30, 2015. Verified Purchase. This was exactly what I needed to jump late into geology class. I could easily read on my own to catch up to the class. It is clear, logical, great on pictures, and engrossing.

Geologic Time - Visualizations
Note: Many of the death toll numbers listed above are best estimates based on available research. Some, such as the Plague of Justinian and Swine Flu, are subject to debate based on new evidence.. Despite the persistence of disease and pandemics throughout history, there's one consistent trend over time - a gradual reduction in the death rate.
