As the national professional organization of more than 10,000 nurse leaders, the American Organization for Nursing Leadership (AONL) is the voice of nursing leadership in health care. AONL’s membership encompasses nurse leaders working in hospitals, health systems, academia and other care settings across the care continuum.

Nursing Management - journals.lww.com

The project goal was to recruit young nurses early in their careers into a Master’s degree program in Nursing Administration and Financial Leadership before they accept formal leadership roles. This is a paradigm shift from the historical pattern where nurse leaders have often “fallen into their positions” without leadership education (Sherman, Bishop, Eggenberger & Karden, 2007).
