Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Amazon.com: Vulcan Boys: From the Cold War to the ...

March 16, 2018. As a former RAF technician who spent most of his career on the Vulcan while stationed at Waddington and Scampton, during the Cold War days, I thoroughly enjoyed this book because it brought back many memories of my time as a young man on the V-Force, although it is all narrated from an aircrew/officer point of view.
