War Against the Idols: The Reformation of
Worship from Erasmus to Calvin. In the second
decade of the sixteenth century medieval
piety suddenly began to be attacked in some
places as 'idolatry', or false religion.
Wherever these ideas became accepted,
churches were sacked, images smashed and
burned, relics destroyed, and the Catholic

Judge argues that there are four factors at play in this diversity. He introduces the first three through an examination of the relationship between the prohibitions listed in the biblical text, and the fourth through a study of the biblical depiction of the war against idols before and after the fall of the Northern Kingdom.
