Water on Sand: Environmental Histories of the Middle East and North Africa Alan Mikhail Abstract

Water on Sand: Environmental Histories of the Middle East ...

From Morocco to Iran and the Black Sea to the Red, Water on Sand rewrites the history of the Middle East and North Africa from the Little Ice Age to the Cold War era. As the first holistic environmental history of the region, it shows the intimate connections between peoples and environments and how these relationships shaped political, economic, and social history in startling and unforeseen ways.

Water On Sand Environmental Histories

"Water on Sand, edited by Alan Mikhail, is a diverse and engaging collection of works that bring environmental history to the forefront of the study of the Middle East and North Africa (MENA) in a compelling way. The essays that compose the book cover a significant swath of time-from the twelfth to the twentieth centuries-as well as a vast geographic space, and they deliver a persuasive call to utilize environmental history as a tool to understand the history of this region better."--
