Through songs, chants, movement, and rhythms, children can gain the readiness skills of language development, coordination, auditory discrimination, body awareness, rhythmic proficiency, and self confidence.

WeeSing America - The United States - YouTube  
Wee Sing products are absolutely amazing for kids (and moms!!!!) I owned all of the Wee Sing (cassette) tapes (now that dates me!!!) back when my older kids were little. Every time we got in the car, they wanted to listen to those tapes! Now I am playing the CD's for my younger kids, and they love them as much as the older ones did!
