What Cats Teach Us 2017 Calendar: Life's Lessons Learned ...

But for many cat lovers, I suspect the opposite is true. What they cherish is not how cats resemble us, but their differences from us. Living with cats opens a window into a world beyond our own and teaches us something important about what it means to be human. One of the most attractive features of cats is that contentment is their default state.

Common Admission Test - Wikipedia

Our teacher wanted us to watch a Chinese movie in that free time, and I just so happened to watch one recently on YouTube. I offered to find it, and my teacher let me use her computer, that was connected to a Promethean board so that the whole class could see what I was doing on the screen.
