FCC Services | What's Happening on the Farm

The temperature went down to -3.3C at our farm. With such a long time frame below 0, we didn't want to use frost irrigation, so we just covered up what we could with row cover and hoped for the best.

What's Happening on the Farm - Bishop's Orchards Farm ...

Phillips Farm Hi, my name is Erin Phillips. I am a teacher by trade but have always found joy in making things with my hands. I come from a long line of gardeners. My grandmother had a tiny city lot in Cleveland where she utilized every square inch of land to grown something edible: pears, currants, tomatoes, peppers, apples, melons...
