*Karen Healey is the author of the Aurealis winner and William C. Morris Debut Award finalist Guardian of the Dead, The Shattering, and When We Wake. She technically lives in New Zealand, but actually lives on the internet. You can find her at [www.karenhealey.com](http://www.karenhealey.com).*

*Amazon.com: When We Wake (9780316200776): Karen Healey: Books*

*But altogether, When We Wake is a smart, intelligent book that portrays a very plausible futuristic society, toys around with interesting medical possibilities, and is narrated by an admirable young woman. In some places I wish Karen Healey had delved a bit deeper into her subject matter, but overall this was a very interesting book.*

*Reading Teen: [Book Review] When We Wake by Karen Healey*

*When We Wake kicks off with a great premise that's an easy sell to teens in this age of dystopian fiction. Tegan is a relatable character placed in a future that, while advanced, is creepily easy to envision. The story drags a bit in the middle, leaving time for readers to figure out some "secrets" before the main character does.*

*When We Wake (#1) by Karen Healey | Books for Kids*

*When We Wake was an exception to my norm, because the characters were running and sneaking around at least ½ of the book. It wasn't like chopping people down action, but there was a lot of movement as Tegan, the main character, tried to figure out what was really happening while staying free.*

*When We Wake (#1) by Karen Healey | The Wellington ...*

*When We Wake My name is Tegan Oglietti, and on the last day of my first lifetime, I was so, so happy. Sixteen-year-old Tegan is just like every other girl living in 2027—she's happiest when playing the guitar, she's falling in love for the first time, and she's joining her friends to protest the wrongs of the world: environmental collapse, social discrimination, and political injustice.*

*Carpenters - Now (Karen Carpenter's LAST recording)*

*Protagonist Tegan is a 16 year old girl. She is musician, first successful test subject in the "New Beginners Project". A project she had no idea she was a part of when she gave permission to have her body donated to science after her death. Dalmar-Tegan's boyfriend for one*

*When We Wake 1 Karen*

*"When We Wake" by Karen Healey is book 1 of the series. The next book "While We Run" will be released in May 2014. It is young adult scifi and reasonably well done. The story: Tegan is a young high school student who is going to a rally in present-day Australia with her boyfriend when a shot rings out.*
