Who Is Black?: One Nation's Definition: F. James Davis ...

Black nationalism is a type of political thought that seeks to promote, develop and maintain a black race identity for people of black ancestry. Black nationalist activism revolves around social, political, and economic empowerment of black communities and people, especially to resist assimilation into white culture, and maintain a distinct black identity. Black nationalism arose within the African-American community in the United States. In the early 20th century, the Garveyism promoted by the
