Monthly "all you can eat" subscription services are now mainstream for music, movies, and TV. Will they be as popular for e-books as well?

Chris Barton

He approached toy company after toy company with his invention until finally, he struck gold. Barton's clean, lively prose and Tate's boldly composed, often comical illustrations—including a dramatic gatefold capturing the Super Soaker's mighty trajectory—make Lonnie Johnson's story of passion and persistence whoosh to life. - Shelf Awareness
