will take out someone's non-spade Ace. Many times, your hand will have no honors (therefore a 0 by straight counting) but will have enough trump to warrant a bid.

Spades strategy guide - YPPedia

Spades is a card game played with four players and a standard 52 playing card deck. While there are several variations on the game, the basic premise remains the same, with four players divided into two teams and the objective of being the first team to score a predetermined amount of points, which is accomplished by ...

Spades | Play it online

If a trick is played without a spade, the highest lead suit card takes the trick. If a trick contains a spade, the highest spade wins. The winner of the trick leads the next trick. Spades cannot lead a trick until

# Access PDF Win At Spades Basic And Intermediate Techniques

they have been broken in another trick or if that is the only suit the lead player has left in their hand.

## Win At Spades Basic And

The person who plays the highest card in the led suit or the highest spade collects up the four cards played and wins the trick.

At every trick, the player who won the previous trick can lead anything she likes — with the exception of spades. You can ' t lead spades at any point in the game until the suit is broken.
