Wire & Mixed Media Sculpture

I love the wire & mixed media weekends for many reasons, but for me one of the main is the accessibility of course. Anyone can try it regardless of their background, it's easy to take up and so open to interpretation — as such, you see raw creativity in it's purest form.

Mixed Media Jewelry Techniques | WireJewelry.com

Adding metal to a mixed-media project can instantly elevate it. There's something about the weight, the color, and the patina of metal that invites a second look. While learning metal techniques may seem a bit intimidating, the opposite is true: Metal is extremely easy to manipulate, color, and texture, and doesn't require an arsenal of tools. Artists have also discovered unique ways to ...
